

## Exit from postgraduate studies - Schedule 2012

**Seminar 1.** Monday, 7 May, Lindahl, EBC

**What are the future options when you have completed your PhD.**

13.15-13.45 Henrik Viberg

Introduction. Where are former PhDs today? Short presentation of surveys at Uppsala University. The "normal" academic career? Regulations for postdoc, junior researchers and other positions.

**Funding your postdoc. What are the options in Sweden and abroad and how do you plan for your research career?**

13.55-14.40 Sofia Wretblad. Research Funding Coordinator at the Faculty of Science and Technology. Grants and scholarships for postdoc in Sweden and abroad.

14.50-15.35 Lars Tranvik, EBC

How to write grant applications? How do the reviewers read and evaluate the application? Are high-ranked publications the only thing that matters? What about pedagogical merits? Is postdoc a necessity for survival? Mobility and networks. How do you connect with a host?

**Seminar 2.** Wednesday, 9 May, Lindahlsalen EBC

**Work in the private sector, governmental bodies, and NGOs. Does a PhD count? What does a PhD do?**

13.15- 14.00 Kristin Hellman, Project Manager at Uppsala BIO

Work outside of academic research (in the private sector for example). Does a PhD count? What does a PhD do?

14.00-14.30 Katarina Vrede (Scientific officer, SLU), Meet a PhD working both in the academy and in governmental research bodies and other authorities. What is expected from a PhD? Can you prepare to become competitive on the job market?

14.45-15.15 Daniel Brelin. Does a PhD count when working at the County Administration? Meet a PhD in Biology now working at Gävleborg County Administration.

**Seminar 3.** Thursday, 10 May, Friessalen EBC

**How to plan an academic postdoc – practical consequences, advices and experiences.**

13.15-14.45, Alexander Eiler, Nicklas Samils and Simone Immler. Life as a postdoc and thereafter. We invite some people who are doing a postdoc or have returned from a postdoc. Discuss with them how they experienced the postdoc and how the postdoc has contributed to their career.

**Seminar 4.** Monday, 14 May, Lindahlsalen, EBC

**Printing your thesis and postdoc practicalities**

13.15-14.00 Jesper Andersson, University Library, Publishing and Graphic services.

Practical things to think about when it is time to print your thesis.

14.15-15.30 Robert Andersson, SULF

Postdoc practicalities: social security, child care, insurance, study loan (CSN) etc.
